

Annual Notice about the Washington Medicaid Integration Partnership (WMIP)

NOTE: You may have gotten the Healthy Options Notice in the mail. It was printed on yellow paper. Throw it away. It was the wrong notice. This WMIP Notice is the right notice!

Once a year, we send you a notice about the Washington Medicaid Integration Partnership (WMIP) to let you know if there are any changes with your health plan and your choices. Right now, you are in:

Molina Healthcare of Washington, Inc. 1-800-869-7165

If you do nothing, you will stay with Molina for 2007. Your other choice is:

Fee-for-Service

Important! If you want Fee-for-Service, check with your doctor. Fee-for-service is not like a health plan. If you pick fee-for-service, you must make sure a provider (such as your doctor) will take your Medical ID Card (coupon) and bill DSHS for your medical services.

If you would like to know more about Molina, please call them at the above number. They can tell you about any special benefits they may cover, physician incentive plans, and give you a list of their network providers.

If you want to know more about your benefits, check the box below. Or, see the website: <http://www1.dshs.wa.gov/pdf/Publications/22-1070.pdf>

- ☐ Please send me “Your Guide to the Washington Medicaid Integration Partnership (WMIP).” I want to learn more about:
- Covered services, including mental health treatment, long-term care services (e.g. Medicaid Personal Care, placement in an Adult Family Home, etc), chemical dependency treatment and medical treatment
 - Care coordination for all WMIP clients (clients with developmental disabilities may get their care from both Molina and the Division of Developmental Disabilities)
 - Medicare and Medicaid

If you have other questions, call DSHS at:
